Today's video:
An old stray cat
finally finds
a home <3

When was a time you felt lonely or left out?

What happened?

What do you wish happened?

Draw and Share

Sometimes people may exclude us on purpose

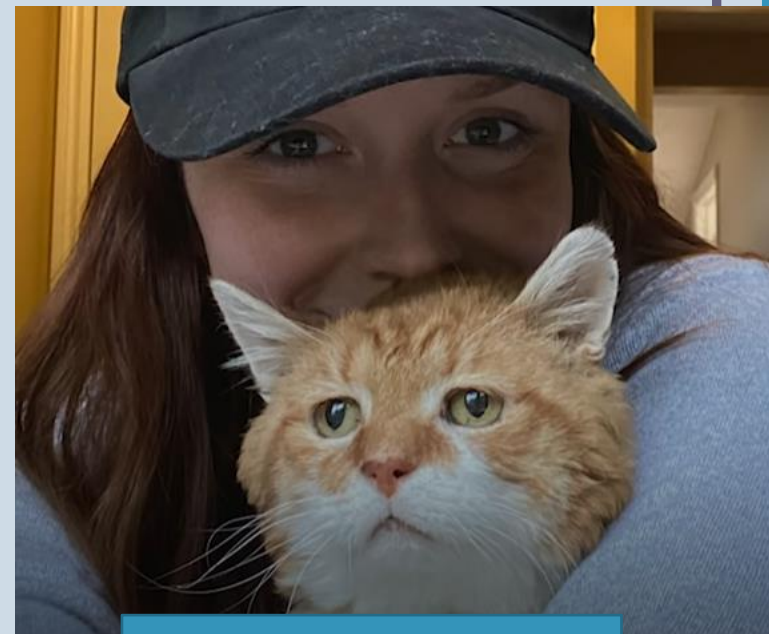

But many times they don't know we want to play too

Bubby started as
an outdoor cat

Who decided he
wanted a
family

And let them
know he wanted
to be with them

Next time you feel left out, you can:

Start a new game
With someone else

Go do
something
you like

On the back of your page: draw what you want to try next time

What we learned today!

Most of us have felt left out and wanted someone to invite us to play

Many times other kids don't know we want to play too

Next time we can ask to join, or go do something else we like doing

We can also start a new game with someone else, because they might be lonely and want to play too!

Children
